

data sheet – revolving stages

Revolving Stages

A Movetech UK revolving stage is built to a unique design that provides a stable, high capacity rotating platform. In the retail and exhibition industries movement adds a dynamic dimension to product displays, and for the events, film and TV industries a Movetech UK revolving stage can create spectacular film sequences and impressive product launches or reveals by moving the audience or the merchandise as required.

Examples of where Movetech UK revolving stages have been used are: car showrooms; concert venues; conference presentations; exhibition halls; fashion shows; film sets; theatre productions; TV shows; and museum and heritage visitor centres.

Movetech UK has been designing and manufacturing revolving stages for 50 years and prides itself on customer service and product quality. Many of our products outlive their design life, and numerous units are still working after tens of years in service.

This is because each product range undergoes rigorous continuous improvement processes to ensure that the best technical solution possible is achieved.

Movetech UK is accredited to the recently updated ISO 9001:2008 quality standard.

Contact Movetech UK now on 01204 537 680 and find out how we can assist you to use movement to attract prospective customers.

Standard Solutions

Revolving stages come as standard with the following features:

- 10 amp slip rings providing power to the rotating surface
- user switchable between clockwise and counter clockwise rotation
- variable speed between approximately 0.2rpm and 1.2rpm (speed range dependent on size)
- 240v mains powered
- 300mm high
- supplied with 25mm Class 1 flame retardant plywood which allows the customer to finish the revolving stage to match the surrounding decor of their own unique application.

Product Code	Product Description	Power Consumption*	Max Display Properties		
			Diameter (m)	Height (m)	Evenly Distributed Load (Kg)
D-008-020	Revolving Stage - 2m	750	2	2	1,000
D-008-025	Revolving Stage - 2.5m	750	2.5	2	1,000
D-008-030	Revolving Stage - 3m	750	3	2	2,000
D-008-040	Revolving Stage - 4m	750	4	4	2,000
D-008-045	Revolving Stage -4.5m	750	4.5	4	2,000
D-008-050	Revolving Stage - 5m	750	5	4	2,000
D-008-060	Revolving Stage - 6m	1500	6	5	3,000
D-008-070	Revolving Stage - 7m	1500	7	5	3,000
D-008-080	Revolving Stage - 8m	3000	8	5	5,000
D-008-100	Revolving Stage - 10m	3000	10	5	8,000

*Power consumption in watts (excluding slip rings)

Tailored Solutions

Many customers wish their revolving stage to be tailored to their specific application. Given our long experience and expertise in the design and manufacture of turntables and revolving stages we are perfectly placed to offer a bespoke tailored solution to your requirements. **Please call us to discuss your exact requirements on 01204 537 680.**

Rental Solutions

Movetech UK offers a reliable, cost effective worldwide rental service for many of its movement solutions. This is particularly suitable where there is a short term requirement. Our rental units range from simple lightweight product display carousels through to revolving stages for major music and other events; this comprehensive rental stock includes a large range of revolving stages.

If the diameters and capacities of our rental units don't quite meet your requirements, or you would like options such as motion control, a static centre, oscillation, timed or positional hesitation, we can tailor units to suit your needs. We also offer a complete worldwide delivery, installation and removal service. **Please call our Rental Hotline to reserve a stage now on 01204 537 682.**
